

The IntelliSource Group

Connecting Manufacturers and Trusted Service Providers

Company Overview

www.IntelliSource.Group

“Manufacturers **reduce service provider selection and procurement times by 50-75%** working with the IntelliSource Group.”

WHO WE ARE

The IntelliSource Group (TIG) is a **network of vetted and proven service providers** dedicated to helping manufacturers reduce the time, frustrations, and effort of researching, vetting, and selecting qualified service providers.

We **simplify the sourcing process** by matching your business needs with qualified service providers within the TIG Network.

WHY CHOOSE US

- ✓ **50-75% time reduction** in service provider sourcing and procurement.
- ✓ **Simplify and speed up** finding qualified providers across diverse business needs.
- ✓ **Reduce your risk of selecting the wrong** service provider.

OUR SERVICES

Provider Network

Trusted Service Providers include **Operations, HR, IT, Sales, Marketing, Accounting, Finance,** and others.

Provider Sourcing

We match your business needs and requirements with vetted and trusted TIG Service Providers.

Provider Procurement

We'll help you find the best service provider for your company, from introductions to final contracts.
